## Firefly Syria's Programmes

**Applied Science  
(Meccano)**

**Applied Science  
(Applied Card)**

**Mathematic  
Academics**

**Arabic Language  
for children**

**Primary School**

## Firefly Syria Programmes

#	Program	Program's Goals
1.1	Applied Sciences (MECCANO)	<p>The program aims to introduce the principles and laws of mechanical physics and dynamics of movement for children and students in a simple way through theoretical and practical lessons.</p> <p>In addition, they will indirectly enhance the skills of teamwork, creative solutions, individual creativity.</p>
1.2	<p><b>NEW</b></p> <p>Applied Sciences (Meccano Card)</p>	<p>new course experienced in January and adopted in February 2019 designed to be as preparatory course for students before they study in Meccano course.</p> <p>we aiming from this course to Strengthen and developing Structural and analytical thinking in additional to many things such as developing hand skills for children and youth, team work, and we expecting at final this course the students will be ready for Meccano level one</p>

## Firefly Syria Programs

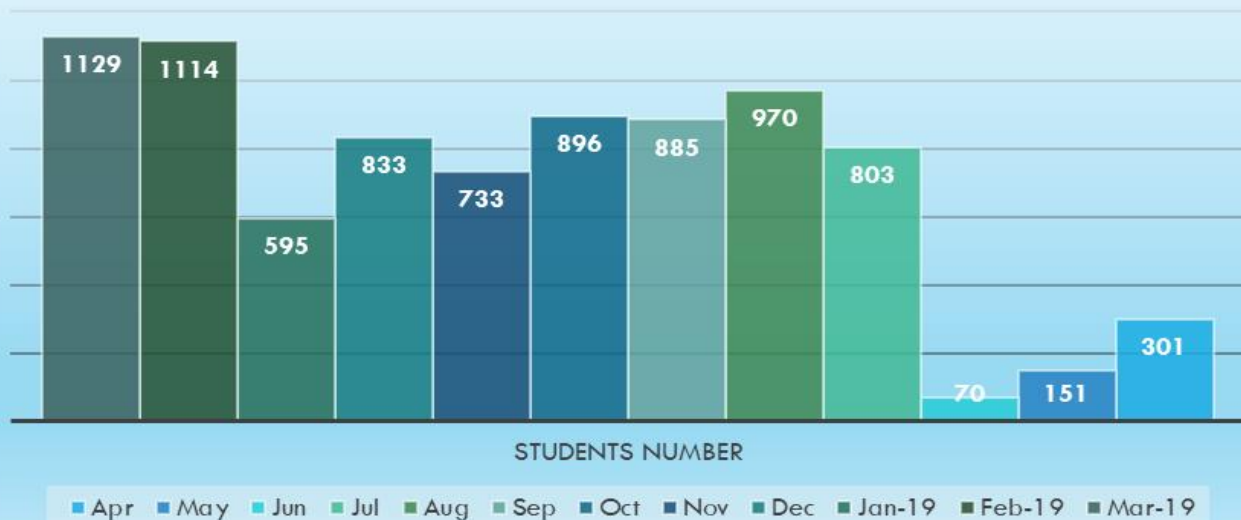

#	Program	Program's Goals
2	Mathematic Academics	<p>The focus in these workshops is to develop Mathematical logical thinking for students</p> <p>Moving from rigid thinking to Structural and analytical thinking. The workshops revisit basic elementary mathematical principles, strengthen pupils foundational maths by teaching them to find appropriate solutions to in the simplest ways.</p> <p>Children progress through the levels of the programme once they have met the goals of each level.</p>
3	Arabic Language For Children	<p>The program aims to teach children Arabic reading and writing using modern educational methods based on the fun and subconscious education of children. This programme addresses illiteracy in the mother tongue.</p>
4	Primary School	<p>Primary school in Syria for the first, second and third grades. This is situated in a camp close to the Turkish border providing much needed primary education as well as weekly classes in the Meccano</p>

## The monthly capacity

**Monthly capacity:** means the ability to represent our programs for the specified number each month. Therefore, when a student benefits from a program during June, July and August, for example, it will be within the capacity during the three months, the actual number statistic will be calculated as one student.

Monthly Students capacity from (1Apr2018-31Mar2019)													
TOTAL	2019	2019	2019	2018	2018	2018	2018	2018	2018	2018	2018	2018	Year
	March	February	January	December	November	October	September	August	July	June	May	April	MONTH
8480	1129	1114	595	833	733	896	885	970	803	70	151	301	Students

### Monthly Capacity (Last 12 Months) From (1 APR 2018-31 Mar 2019)

## The Actual student's number in all programs

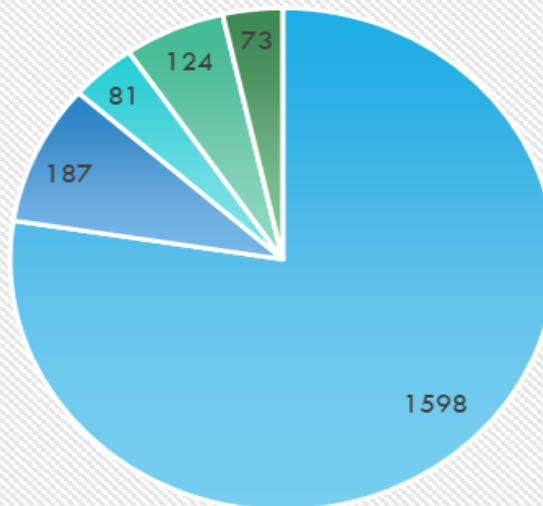

**Actual students' number:** Is the actual number of students between the ages of (05-18) who benefited from Firefly Syria's programs during 2018. And all of them joined one of our programmes for three months at least.

## The Actual student's number

Program	Numbers of Students
Applied Science (Meccano)	1 598
Applied Science (Card)	1 87
Mathematics Academic	81
Arabic Languish	1 24
Primary School	73
<b>Total</b>	<b>2063</b>

### The Actual students' number in all programs

- Applied Science (Meccano)
- Applied Science (Card)
- Mathematics Academic
- Arabic Languish
- Primary School

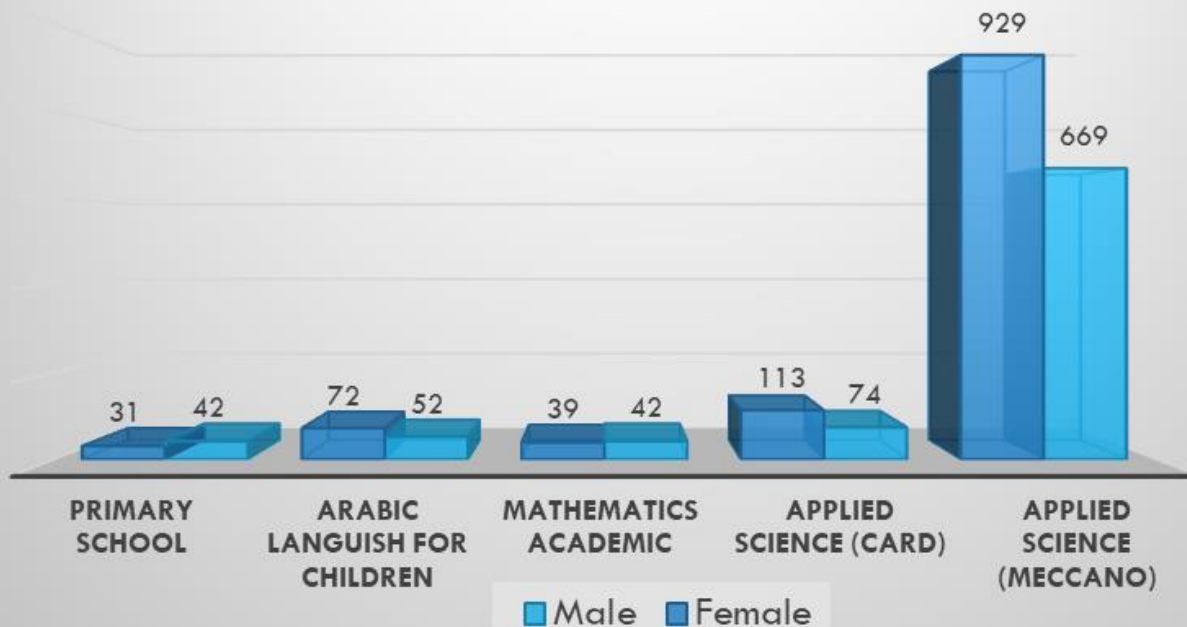

## Students according to sex (Male-Female)

From 1 Apr 2018 - 31Mar 2019

Program	students' sex		Total
	Male	Female	
Applied Science (Meccano)	669	929	1598
Applied Science (Card)	74	113	187
Mathematics Academic	42	39	81
Arabic Languish For children	52	72	124
Primary School	42	31	73
<b>TOTAL</b>	<b>879</b>	<b>1184</b>	<b>2063</b>

The number of students in main programs according sex

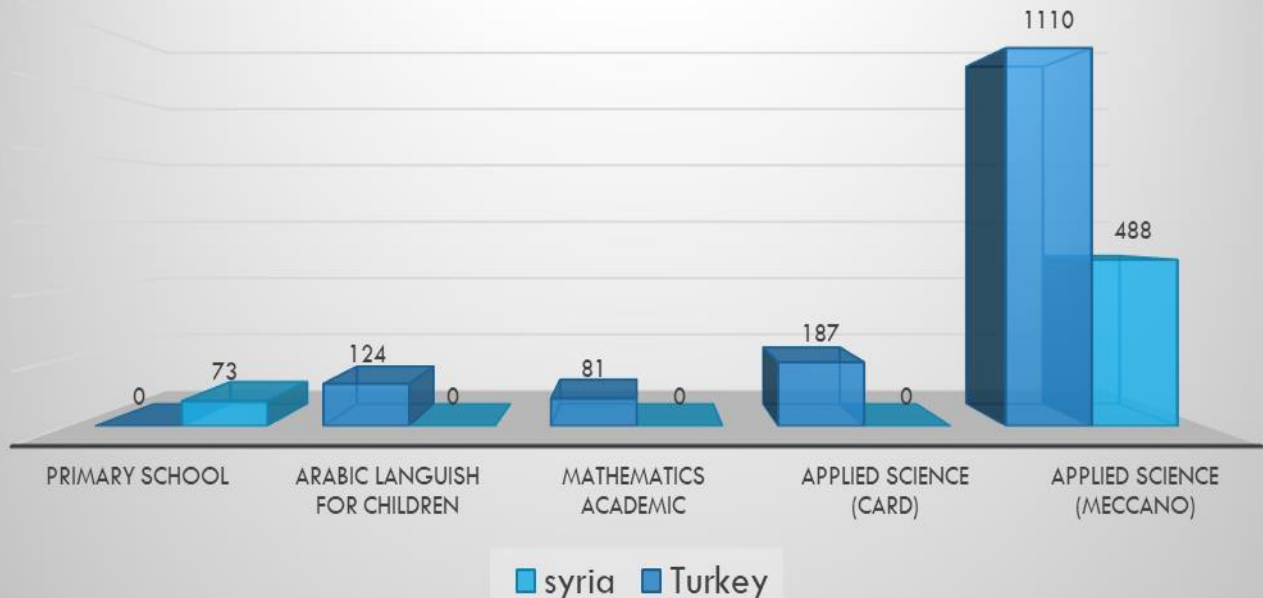

## Students according Locations

The number of students according to Locations  
From 1 Apr 2018 - 31Mar 2019

Program	country		Total
	syria	Turkey	
Applied Science (Meccano)	488	1110	1598
Applied Science (Card)	0	187	187
Mathematics Academic	0	81	81
Arabic Languish For children	0	124	124
Primary School	73	0	73
<b>TOTAL</b>	<b>561</b>	<b>1502</b>	<b>2063</b>

The number of students according to locations

## Our partner in Turkey

A list of the parties in (TURKEY) that have been contracted to teach our programme during year (1/4/2018-31/3/2019)

City	FireflySyria Programme	#	Partner Name	Stu. No.	No. of Class
